

Lions Club Presented with Charter

Twenty-one members of the newly organized Campbellsport Lions Club with their wives, and about sixty guests from Fond du Lac, Kewaskum and Sheboygan attended the charter night meeting and banquet held at Ed. M. Bauer's Hall last Thursday evening: The Fond du Lac Lions sent down a "peppy" delegation who kept the ball arolling and furnished amusement to their fellow Lions.

The charter from Lions International was presented to the new club by District Governor Lawson E. Lurvey of Fond du Lac during a program at which Will C. Hyde, a past president of the Fond du Lac club presided. District Governor Lurvey discussed the purposes of the Lions club organization in presenting the charter and greatly impressed his hearers.

The charter was accepted in behalf of the Campbellsport club by the president, Leo J. Uelmen. President Uelmen's acceptance address was most impressive, assuring the district governor and the visiting Lions that he would endeavor to direct the new club to live up to Lions ideals so that the Campbellsport Lions Club would be a source of pride and of great assistance to the village and community. Dr. Uelmen by his talk instilled more enthusiasm into the new club and made every member feel

that they had a capable and willing leader.

Others who spoke briefly during the meeting were A. L. Thuemier of Sheboygan, district secretary-treasurer, Sydney Kaye, president of the Sheboygan club, and President L. P. Rosenheimer of the the Kewaskum Lions club which received its charter on August 11. Two vocal duets were sung by Lewis and Dorothea Senwandt, accompanied by Mrs. Alfred Vande Zande. Lion Harvey Miller of Fond du Lac provided accompaniments for community singing, which Marv's Lion Tamers Orchestra played selections throughout the banquet.
