

**PUBLIC NOTICE TO ALL CUSTOMERS OF THE
CAMPBELLSPORT MUNICIPAL WATER UTILITY**

The Campbellsport Municipal Water Utility has filed an application with the Public Service Commission of Wisconsin (PSCW) to increase water rates. The increase is necessary due to a 22 percent increase in gross plant investment and a 18 percent increase in operating expenses since the last water rate case was completed in 2008 (rates were adjusted for inflation through the Simplified Rate Case process in 2010).

The total increase in water revenues requested is \$99,441 which will result in an estimated overall rate increase of 17% over the water utility's present revenues. If the request is granted, the water bill for an average residential customer with a 5/8-inch or 3/4-inch meter who uses 10,000 gallons of water per quarter will increase from \$97.26 to \$116.60, or 20% (not including the public fire protection charge), and will increase from \$99.72 to \$128.30, or 29% (including the public fire protection charge).

A telephonic public hearing on the application has been scheduled for Wednesday, April 18, 2012 at 2:00 p.m. in the Campbellsport Village Hall, 177 E. Main Street, Campbellsport, Wisconsin. Scheduling questions regarding this hearing may be directed to the PSCW at (608) 266-3768.
