----	-------	---	-----	------

Hs	B-131	Katholische Kirche in Wisconsin (History of the Catholic Church in Wisconsin). Published in 1895. Written in German. It was also published in English, but CAHS does not have an English copy. Gives brief history of each Catholic parish in Wisconsin. Also more general information, such as history of the area before the coming of the Europeans. Life of the Native Americans, even some information on their music. Includes many pictures of churches and people. Donated to Public Library by Joseph Schlaefer (date unknown). Donated to the Campbellsport Area Historical Society in 2004, Over 1000 pages. Title page and a number of first pages of the book are missing. This book is especially valuable because it was written so close in time to the events it recounts.	All (Ask staff person to get it for you. The book is in very poor condition.) However, there is a second copy, donated more recently:	None
----	-------	---	---	------
