

## ATTENTION - VILLAGE RESIDENTS

The Village of Campbellsport office has been made aware that a number of residents have not received the 3<sup>rd</sup> quarter water/sewer billing statement. The bills were sent out Sept. 27<sup>th</sup>. We have checked with the local post office and it seems the problem exists in the processing at the Milwaukee post office level.

If you have not received your water bill this quarter, please contact the village office at 533-8321 and we can print out a duplicate. Bill due date is Oct. 22<sup>nd</sup>. A period of time will be extended without interest payment because of this problem.

We are sorry for any inconvenience this may cause.
